Each day through my window I watch her as she passes by.

A D A D
I say to myself, "You're such a lucky guy."

A D
To have a girl like her

A D
is truly a dream come true.

A D
Out of all of the fellas in the world

A D
she belongs to you...

A D
But it was just my imagination

A D
running away with me.

A D
It was just my imagination

A D
running away with me...

Ooh-hoo-hoo-hooh

A D
Soon we'll be married..

A D
and raise a family. (oh yeah)

A D
In a cozy, little home out in the country

A D
with two children, maybe three.

A D A D
I tell you, I can visualize it all.

A D A D
This couldn't be a dream for too real it all seems.

A D
But it was just my imagination (once again)

A D
running away with me.

A D
(telling me) It was just my imagination

A D
running away with me...

A
Every night, on my knees I pray,

D
"Dear Lord, hear my plea...

A D
don't ever let another take her love from me

E
or I will surely die..."

A
Ooh, her love is heavenly;

D
when her arms enfold me,

A D
I hear a tender rhapsody...

A D A
but in reality, she doesn't even know me

A D
It was just my imagination (once again)

A D
running away with me. oh

A D
(telling me) It was just my imagination

A D
running away with me...

(I never met her, but I can't forget her.)

A
It was just my imagination

A D
running away with me... Oooo

A D
It was just my imagination
