Capo on 3rd fret

This song is actually much simpler than the other ways up here. I watched some live videos and the guitar player plays this song with a capo on the 3rd fret. Since the guitar is so quiet it's kind of hard to tell exactly what he's playing, so I kind of just followed the bass. For playing by yourself on an acoustic guitar this works perfectly.

G Am7
Sunrise, sunrise
G C
Looks like mornin' in your eyes
Am7 F C
But the clocks held 9:15 for hours

Em Am7
Sunrise, sunrise
G C
Couldn't tempt us if it tried
Am7/G F C
'Cause the afternoon's already come and gone

[Chorus]

Am7 G C F (x3)
And I said hoo...
Dm
To you
